# Corporate Profile

# IT NUT HOSTING

IT Nut Hosting is a premium web hosting provider in Bangladesh, offering reliable and secure hosting solutions. Our comprehensive services include Web Hosting, VPS Servers, RDP, Cloud Hosting, and Business Email services. We prioritize the speed and security of your website to ensure smooth business operations. Since 2014, we have provided quality hosting services with 24/7 customer support. Let IT Nut Hosting handle your hosting needs while you focus on growing your business.

# About Us

In 2014, we started our journey as a small web hosting company, driven by a passion for technology and customer service. Today, we proudly stand as one of the leading web-hosting companies in Bangladesh. Our journey has been fueled by our commitment to high-quality service and top-notch customer support.

We have established a co-location in Bangladeshi data center to serve our local customers efficiently. Beyond our local reach, we have expanded with multiple co-locations in the USA, Canada, and Singapore, enabling us to serve clients in over 41 countries in the last decade.

At IT Nut Hosting, we prioritize the security and speed of our servers, ensuring quick and effective solutions to any problems. Our team of dedicated professionals is available 24/7/365 to support our customers, ensuring that any issues are resolved swiftly and efficiently. Our mission is to continue delivering reliable, high-quality web hosting solutions to our customers worldwide.

# Our Journey

1

**2014**
